#### SWOC, Observations and suggestions:

- Strength:
  - Vibrant atmosphere of institution.
  - NSS & other external activities
  - Dedicated faculty and friendly culture
  - Hard working Students
  - Professional Courses
  - Extension activities
  - Active Sport department
  - Natural environment for learning
- Weakness:
  - Lack of Govt. Funding for research
  - Students are from economically backward areas, so self supportive which affects their qualitative achievements.
  - Network problem connectivity
  - Load-shading due to rural area.
- Opportunities:
  - Introducing Research study Centre to develop research atmosphere.
  - English speaking classes.
  - Students transformation into highly skilled human resources

- Employment opportunities for students due to MIDC area.
  - A lot of scope for women empowerment
  - Scope for professional courses which can create job opportunities to the rural students.
- Challenges:
    - To prepare the students to face competitive exams and job markets after graduation.
    - Erosion of ethical values
    - Starting job oriented short-term programmes
    - Generation of funds for college
    - Financial weakness of the students forces them to take the job rather than taking Higher education.
1. Curricular and cocurricular activities be conducted for students.
  2. The programme for career development and competitive examination be conducted.
  3. Focus on student's personal development and professional development.
  4. Use ICT
  5. Prepare lesson plans.
  6. Conduct CIE
  7. Feedback mechanism should be effective and the remedial measures must be taken by the department and concern faculty members.
  8. Focus on research.
  9. Obtaining more research grant.
