4.1.2	The institution has adequate facilities for sports, games (indoor, outdoor) gymnasium, yoga centre etc. and cultural activities	
1	Summary	01
2	Gymkhana Details	2 to 8
3	Sports Details	9 to 14
4	Lab Details	15 to 37
5	Cultural Details	38 to 50
5	Yoga	51 to 53

4.1.2

Summary

Jeevandeep Arts, Commerce & Science College Goveli

4.1.2.

The institution encourages students to participate in state and national level cultural, sports and other cultural events and activities.

Cultural activities-

The institution has provided a number of facilities for supporting and encouraging extracurricular activities related to culture, creativity, art and recreation. The cultural room with capacity of --people is maintained.

College encourages students to participate in various competitions at district, state, national & International level by financial and all means of support.

The arrangements are carried out by the cultural group of the college. It consists of committee including staff and students.

Cultural department works to develop and promote in order to showcase the talent of students. This ----number of awards are won at different level. The instruments are arranged according to the necessity. The choreographers and mentors are appointed. Intercollegiate competitions are organized. Students from all streams have represented at different levels in different competitions. It has reflected positively in students working in various walks of life.

Sports- Games (indoor/ outdoor / gymnasium)-

Our college ranks 9th in the university in sports category. Then solution in courageous students for sportsmanship and comradeship. College has to grounds for outdoor games like cricket kho-kho, Kabaddi, javelin throw, throw ball, badminton, short put, disc throw, ball badminton and archery. They indoor games like carroms are played in the area of --- square kilometers.

Our students have participated and won medals in various championships at district State, national and international level in weightlifting, power lifting, wrestling and boxing.

Gymnasium-

The gymkhana of the college is one of the important factors contributing in the growing progress graph of the institution. The Gymkhana in our institution was established in 2006. The area of the college gymkhana is 50 X 30sq.ft. The institution has seven playgrounds in order to keep up with the necessities of the students

Yoga center-

The institution encourages practicing and inculcation of Yoga among students for their physical and mental well-being. Yoga and meditation course is introduced every year. The philosophy department takes the responsibility of handling arrangements for this Yoga and meditation workshop. Every year 21st June is celebrated to inculcate values among the students with multiple associations with various institutions related to this like Patanjali, NSS department regularly encourages and creates awareness regarding this.

4.3 IT Infrastructure

4.3.1 Institution frequently updates its IT facilities including Wi-Fi Response:

The college has well established mechanism for upgrading and deploying Information technology infrastructure. The college first assesses the needs, number of students and staff and other end users. The provision is made in the budget for annual maintenance and technical staff is appointed for maintaining hardware and Information Technology infrastructure of the campus. Institution frequently updates its IT facilities through various systems. The classrooms are given advanced equipments and other essential facilities like complete surveillance system, electrical power supply with Battery backup, facility for high speed communication links, 6 LCD projectors to all departments, designed furniture, anti-virus for all computers, etc. The college has 65 computers and 04 laptops with access to internet that are updated with latest versions of essential software. The computers are connected with Wi-Fi facilities. As per the requirement of the maintenance of the above IT equipments, college has Digital Committee which uses their skill to update and repair the equipments. However, for major disorder and damage, computer technicians and service providers are hired for the up keeping and replacement. The steps like installation of anti-virus periodically, formatting of computers on the basis of corrupt operating system and replacing of hardware of old computers to new computers are taken for maintaining and utilizing computers. The Wi-Fi (50Mbps) facility is provided to all over campus for all stake holders in free of cost.

College IT Facility :-

- Wi – F I facility
- Digital Classrooms and ICT used in lectures
- Online admission facility for students
- Online fees payment facilities
- Digital Library facilities for students
- Free access o computer lab
- Digitl attendance for IT students
- CCTV Camera security for students
- Thumb attendance for Teachers and Non Teaching staff
